

The new, Unique DEAD-BLOW, Non-metallic Hammers with replaceable faces.

Product Features

- Molded Polyurethane head is shot-filled, with screw-in faces, with Screw-in faces can be of different durometers, thus offering variable resiliency of the striking surfaces.
- When the hammer faces are worn out, just unscrew the face and screw-in a new face, and have a hammer just as good as new, at a fraction of the cost.
- Hammer handles are steel reinforced, molded integral with the head, with a protruding texture on the handle for a better grip.

Standard hammers are ORANGE color. Hammer faces are available in 6 color-coded hardness of Urethane as mentioned to the right:

60 A - Clear (Soft)
70 A - Blue
80 A - Green
90 A - Red
95 A - Amber
75 D - Black (Hard)

Hammers are available in 6 popular sizes ranging from 3/4 lbs. to 7 lbs.

Model Number:	PH-12	PH-20	PH-24	PH-48	PH-60	PH-88
